Instructions

Step 1 Use Jeep Wrangler Hardtop screws and nuts* on the tub edge to hold down the 6 provided Tie-down D-rings.

* The screws and nuts kit are not included to this package. They may or may not come with your Jeep Wrangler purchase. Visit GPCA.us to purchase the compatible **GPCA Quick Release screw set** if needed.

Step 2 For under the top, loop the straps through the Tie-down D-rings with the GPCA cover logo side up.

When top is off, you can flip the whole cover and let the straps on the top, and then tuck the side panel edges under the tub to fix the side panels.
